DECLARATORY RESOLUTION NO. 596-1928.

For the widening of Main Street on the north side from the Leesburg Road to the entrance to Lindenwood Cemetery.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to widen Main Street on the north side from the Leesburg Road to the entrance to Lindenwood Cemetery, by condemning and appropriating for street purposes the south fifteen (15) feet of the property abutting on the north side of Main Street from the Leesburg Road to the entrance to Lindenwood Cemetery.

All as shown by a plan of such proposed widening of said portion of Main Street as above described now on file in the office of the Department of Public Works of said City.

The property which may be injuriously or beneficially affected by the condemnation of the above described street widening is described as all lots and lands abutting on both sides of West Main Street from the Leesburg Road (so-called) to the west line of Section 3, Township 30 North, Range 12 East.

The cost of said street widening and all expenses connected therewith shall be assessed against the property beneficially affected thereby.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal annual installments with interest at the rate of five (5) per cent per annum. Under no circumstances shall the City of Fort Wayne, Indiana, be or be held responsible for any sum or sums due from said property owners for said condemnation of property, or for the payment of any bond or bonds, certificate or certificates issued in payment for such property damages, except for such moneys as shall have been actually received by the City from the assessments for such damages to property or such moneys as said City is by said above entitled act required to pay. All proceedings had in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

All of the above described streets and lots and lands affected by the above described street widening as above described being situated in the Southwest Quarter of Section 3, Township 30 North, Range 12 east and within the corporate limits of the City of Fort Wayne, Indiana.

To the Board of Works,
City of Fort Wayne, Ind.,
City Hall,
City.

Gentlemen:

The officers and members of Jim Eby Post No. 857, Veterans of Foreign Wars, desiring to manifest their interest and pride in civic matters, after due consideration, advance the following offer and proposition.

This post, as you are aware, is the owner of a certain property known as 2202 West Main Street; said property being formerly used as a Hospital and occupied by the Ancillae Domini Sisters.

In consideration of the city of Fort Wayne constructing a sidewalk and retaining wall to begin at the corner of West Main St. and Leesburg Road and extending to the west boundary of the land owned by this post; we will dedicate free and clear, a strip of land 673 feet in length and not to exceed 15 feet in breadth on West Main St. for that purpose. The widening of West Main St. at this point, would operate as a very desirable improvement in this locality, and we submit this our proposition for your action and consideration.

Respectfully,

THE OFFICERS AND MEMBERS OF
JIM EBY POST NO. 857 V. F. W.

Filed. May 10, 1928.
